STATEMENT OF [REDACTED]

DATE: APRIL 7, 2016

POLICE INCIDENT REPORT NO: 160-286-132

Q: You got a black suit.

Q: They'd probably kill me. John Cagney ma'am.

A: [REDACTED]. Nice to meet you.

Q: [REDACTED]. Gary Watts. Nice to meet you.

A: Nice to meet you.

Q: As [REDACTED] with a [REDACTED] or as-

A: [REDACTED].

Q: [REDACTED].

Q: Sorry. And the same last name?

A: (Non-verbal response).

Q: And, ma'am, your date of birth?

A: [REDACTED].

Q: And do you have a contact number?

A: [REDACTED].

Q: Thank you. Gary?

Q: Just if you heard something or you saw somethin' this morning, please just go and tell us what you were doing and how your day got interrupted.

A: Well, leading up to the incident, right, I was just chatting with my husband. I was in the kitchen making breakfast and then when I- right before I ate my breakfast, probably about five minutes before it happened, I put my headphones on and I was watching TV on that TV there with my headphones. And then I heard all the pops but I just thought at first that it was some

1 kind of (unintelligible) firework or something. I mean, if you
2 go in the homeless camp across the street, like, they get into
3 all kinds of mischief, so I figured it was somebody just messing
4 around. And then I saw [REDACTED] get up and he was really upset.
5 And I looked out and Luis is laying out already. And whatever he
6 had in his hand is, I think, still out there. It just looked
7 like something black and kind of rectangular. I think it's next
8 to the 13. You know, the numbers out there for the evidence?

9 Q: Okay.

10 Q: Got it.

11 A: Whatever is 13.

12 Q: Yeah.

13 A: That is what I saw. He was laying on his back. It was
14 still in his left hand when he- after he'd been shot. So that's,
15 pretty much, all that I saw. I talked to my neighbor this
16 morning who lives upstairs, next door. He had already left for
17 the airport to go to Austin but she said her husband saw Luis
18 this morning and spoke with him and that he seemed to be sick.

19 Q: Sick?

20 A: He looked under the weather. And my neighbors both
21 speak Spanish and I guess the husband said to him, like, what's
22 the matter? Are you not feeling good? You don't look very good.
23 I don't know him that well. I know my husband pays him sometimes
24 to sweep outside-

25 Q: Mm-hmm.

26 A: But just as a general rule, I don't drive. I'm a walker
27 and so I try not to walk on that side because some of those
28 people kinda belligerent.

1 Q: Yeah, I'm sure.

2 A: So-

3 Q: I know what's goin' on.

4 A: I- some people give 'em food but generally I don't go
5 and hang out on that side-

6 Q: Right.

7 A: Of the street much.

8 Q: Is he strictly a Spanish speaker?

9 A: I don't think I've ever spoken to him.

10 Q: Okay.

11 A: I mean, I've seen him, like, kinda wave. It's just we
12 kinda have, like-

13 Q: Yeah.

14 A: (Unintelligible) relationship with the homeless people
15 across the street but-

16 Q: Of course you have to. Everybody goes to
17 (unintelligible).

18 A: (Unintelligible), like- I've kinda found that if you
19 befriend people too much, that it's kind of an awkward
20 relationship and it's hard to set boundaries, especially people
21 with mental problems.

22 Q: Right.

23 A: So I just engage that much.

24 Q: I understand.

25 Q: Mm. It's (unintelligible).

26 Q: Is- ma'am, you said that you put the headphones on and
27 you heard the shots. Correct?

28 A: Mm-hmm.

1 Q: And how many shots you think you heard?

2 A: Well, it's hard for me to say but I thought I heard,
3 because I've already heard the video several times-

4 Q: Okay.

5 A: So I think that, from the video, I remember seven.

6 Q: Seven? Seven? Fair enough. Did it sound like what you
7 heard- not necessarily what you saw from the video, although it's
8 probably difficult to discern now, you know-

9 A: Mm-hmm.

10 Q: The sequence- did it sound like it was continuous
11 volley, so to speak, or a line of shots or was there-

12 A: Ah-

13 Q: A pause in between or?

14 A: At first they seemed like light pops. Like, that's when
15 I thought it was-

16 Q: Okay.

17 A: And I think that must have been the pellet gun.

18 Q: Right.

19 A: There was, I think, a slight pause-

20 Q: Right.

21 A: And then three more louder pops. And that's when I
22 looked at my husband, like, what's goin' on out there?

23 Q: Mm-hmm.

24 A: (Unintelligible) looking? And that's when he got up.

25 Q: Alright.

26 A: So, I mean, right after he got up, I realized it was
27 gunfire 'cause he was so upset.

28 Q: And it's only after 9:00. In terms of Luis (I know that

1 | you said you kinda tend just to let them be and you, you go about
2 | your business), have you ever had any interaction with him in a
3 | negative kind of way or a positive way?

4 | A: No. I mean, I can see everything that goes on across
5 | the street from my-

6 | Q: Right.

7 | A: Kitchen. Have you seen out my kitchen window?

8 | Q: We'll- yeah-

9 | A: You could check it out.

10 | Q: I can see it, yeah. I saw it.

11 | A: So, I mean, it's almost you really kinda can hear on the
12 | walls.

13 | Q: Yeah.

14 | A: (Unintelligible) on the walls-

15 | Q: Right.

16 | A: And you can tell their either on drugs or just-

17 | Q: Sure.

18 | A: (Unintelligible). You know? So I don't- I mean, I have
19 | (unintelligible), like, (unintelligible)-

20 | Q: Right.

21 | A: But the only thing (unintelligible)-

22 | Q: Right.

23 | A: But she kinda keeps over there. We kinda keep over
24 | here. And they know that we can see them, I think-

25 | Q: Right.

26 | A: Because they can see us through the kitchen window.

27 | Q: So does-

28 | A: We don't have a blind- we don't have blinds or anything.

1 So we just try to, you know, not stare at each other but I'm-

2 Q: There's like a detente.

3 A: Sure that they peek at me just like I peek at them.

4 Q: In terms of Luis specifically, do you think his issues
5 revolved around- if he has issues, do you think it's a drug thing
6 or an alcohol thing or a mental health-

7 A: Mm-hmm.

8 Q: Issue?

9 A: I mean-

10 Q: Mental health issue or a combination?

11 A: (Unintelligible) drinking.

12 Q: Okay.

13 A: I- he's never, like, acted crazy with me.

14 Q: Right.

15 A: So I don't know if he's been on drugs or anything. I
16 mean, he's usually pretty, like, mild mannered comparatively.
17 Like, he doesn't get (unintelligible) rowdy.

18 Q: Right.

19 A: So I-

20 Q: So he's one of the less- okay. I gotcha.

21 A: Yeah. I mean, some of 'em I definitely wouldn't even
22 talk to but, like-

23 Q: Mm-hmm.

24 A: If my husband pays him to sweep up, like, I know he's
25 now like a creep or anything.

26 Q: Right. Oh, I hear ya. And he, according to your
27 husband, he didn't really have a tent or a domicile, that he
28 kinda just wandered?

1 A: I would just see him walk around, taking a walk a lot-
2 Q: Yeah.
3 A: So I figured he had a lot of nervous energy but I don't
4 know-
5 Q: Uh-huh.
6 A: What that was being to. And I don't speak any Spanish,
7 so I've never really spoken to him.
8 Q: Oh, I gotcha. Okay. Did you see the officers after-
9 did you watch the aftermath and when you looked out the window,
10 were the officers- the shooting had just occurred. Correct?
11 A: Yeah. I didn't really notice. I was tryin' to help my
12 husband-
13 Q: I getcha.
14 A: 'cause he was upset.
15 Q: You didn't see what the officers did in the exact
16 aftermath of what they did? Okay. Fair enough. I didn't ask
17 your husband. We should ask (unintelligible).
18 A: I mean, people were sort of gathered around.
19 Q: Yeah.
20 A: I mean, when I- I just looked out before I went to go
21 check on my husband-
22 Q: Gotcha.
23 A: And they were just sort of gathered 'round but I didn't
24 see what they were doing.
25 Q: Okay.
26 A: I mean, the emergency response was really fast.
27 Q: Yeah. The fire station's-
28 A: Yeah-

1 Q: Right around the corner. Right? So-

2 A: Since the fire station's so close, so, I mean-

3 Q: Yeah.

4 A: And then they were taking, like, life-saving measures
5 and-

6 Q: Sure.

7 A: Pumping his chest and stuff.

8 Q: Okay.

9 A: Like, I was really surprised at how quick that all
10 happened.

11 Q: Well, I can imagine (unintelligible). Do you have any
12 questions for us ma'am?

13 A: Um-um.

14 Q: No? And, as we've said repeatedly to your husband, we
15 appreciate the fact that you sat down with us, that you guys have
16 been helpful and forthcoming, being good citizens, essentially.
17 And our role in this is simply to gather facts. We don't make
18 any value judgments as to what the evidence is or, you know,
19 we're not taking sides in this. Sometimes it's difficult for
20 people to understand but, I mean, we're not, you know- we don't
21 have an agenda here, so-

22 A: Mm-hmm.

23 Q: Yes.

24 Q: And we really, we-

25 Q: We'd also like to offer you, again, like your husband,
26 the department's behavioral science.

27 A: I mean, I'm okay.

28 Q: Okay.

1 Q: Okay.
2 Q: Yeah, I mean, things happen.
3 Q: Yeah.
4 Q: It's the City. Right? I mean, we know, yeah.
5 Q: If- you're okay now. If-
6 A: Yeah.
7 Q: Maybe tomorrow you feel like you wanna talk to someone.
8 Q: Thank you for your troubles. And we're-
9 Q: Thank you.
10 Q: And we're really-
11 Q: That didn't come our right.
12 Q: Sorry. And, you know, there's (unintelligible) Robert
13 or not. We blanket it. Tell you, you'll be the- we'll be the
14 last cops tryin' to see if you came in to (unintelligible).
15 A: I'm not askin' you.
16 Q: In any event, if you have any questions, all you have
17 to- (unintelligible) can answer any questions you may have.
18 A: Okay. END OF INTERVIEW.
